AUG

EFFECTIVE PERFORMANCE MANAGEMENT

21 - 22 Aug

According to HR statistics, 80% staff say managers do not provide clear goals, directions or follow up with review. And they also do not see the relationship between good work & rewards system.

Effective performance planning and KPI setting is a key initiating point that when well done sets the tone for the subsequent motivational evaluation conversations. So if it starts right, it usually ends right:

- A. Start It Right – KPI Development & Planning
- B. Do It Right – Continuous Performance Dialogue & Engagement
- C. Finish It Right – Year End Review & Summary
