INTRODUCTION FROM DR. WILLIAM J. ROTHWELL

In challenging economic times, organizations have a pressing need to attract, retain and develop first-rate, highly-productive talent to gain and keep competitiveness. Many organizations are struggling to prepare for the so-called "Talent Wars." That has drawn much attention to the issue of talent management and talent development.

But what do these terms mean? What proven strategies work to attract, manage, retain, position and motivate talented people as economic conditions globally become more challenging? This program addresses these questions.

Real world research has proved the fact that a talented employee can be as much as 20 times more productive than the average worker. Just imagine how much more we are capable of achieving with more talent in our organization.

Over the course of the 3-day workshop we will focus on key success factors plus the latest practices and developments in the area of talent management, competency modeling and succession management. I will also be sharing with you many contemporary tools and technologies that you will be able to put to practical use right away.

I will bring you to the cutting edge of the profession and enable you use effective talent, competency and succession management strategies and tactics to create competitive advantage for your organization which is sustainable through good and challenging economic times.

I look forward to working with you at this upcoming program. There is so much to learn and to do to achieve much greater results and I would like to take you on this exciting journey with me.

Sincerely yours,
Dr. William J. Rothwell

ABOUT PENN STATE UNIVERSITY

Pennsylvania State University (Penn State) is one of the largest universities in the US. Founded in 1855, Penn State has grown into a world-class learning and research institution. With a core campus covering 5,448 acres, the University Park campus is the epicenter for about 40,500 students, 3,000 faculty and 13,000 other employees. The university offers degrees in about 160 baccalaureate and 150 graduate programs.

Penn State ranks among the US's 10 largest public research institutions, directing more than \$650 million in 2006 to support research and development activities, many having important economic implications. A majority of research funds come from sources outside Pennsylvania, principally from the US government, business and industry, and foundations. In 2005, for example, Penn State attracted \$359 million in federal research funds - 9th highest among all US public universities.

Penn State is highly prestigious for being the #1 ranked graduate program in HRD in the US. It operates the largest outreach effort in American higher education, delivering programs to learners in all 50 states and 80 nations worldwide.

ITD was founded on a simple yet powerful vision of enabling organizational & HR development goals that enrich lives & create a better society. ITD's roots can be traced back to 1984 when a group of visionary HRD experts established an institution, which quickly emerged as a leader in its field. ITD's mission then and now remains clear - To continuously excel as the leading multinational provider of superior quality organizational & HR development solutions in the Asia Pacific for national and regional building.

ITD Group's headquarters for global research and development is based in Singapore and its administrative head office is established in Penang and Kuala Lumpur, Malaysia. ITD has centers spanning Malaysia, Thailand, Vietnam, Philippines and Singapore.

ITD Group's six core areas of expertise include Corporate Training; Professional Competency Certification; Business Coaching and Consulting; Mega Events and Conferences; Business Education and Research and Community Service and Networks.

In an increasingly globalized economy driven by knowledge, competency and innovation, ITD can be the people's crucial source of competitive advantage due to its ability to combine expertise and experience from its core areas of expertise. This portfolio synergy allows ITD to better meet the unique development needs of individuals, corporations and the community.

Over the years ITD has earned a sound reputation as a leading training, HRD and education provider having successfully produced thousands of graduates and provided organizational and HR development solutions to a large number of clients throughout the Asian region. ITD's clients include many leading multinational and local corporations.

As an international HRD award winning organisation, ITD has made its mark of excellence in the international HRD arena. It was the winner of the 2006-2007 ARTDO International (formerly known as Asian Regional Training and Development Organisation) International HRD award. This highly prestigious international award is presented to the most qualified organization in recognition for outstanding contribution to international HRD. ITD was also bestowed the Brand Laureate International Award for the Best Brand in Training, by H.E. Tun Dr. Mahathir Mohamad, Prime Minister of Malaysia for 22 years.

As a clear distinction of ITD's commitment to quality and continuous improvement, the Group has attained the ISO 9001:2008 Certification for Global Provision of Training and Development. This simply means that ITD's quality management system is globally applicable and meets stringent international standards.

Ultimately, the ITD vision is all about people. The truly shared meaning behind ITD's torch goes beyond leadership and excellence, it's about uplifting and bringing 'light' to people's lives and helping both individuals and organizations attain their aspirations. It is about fulfilling dreams of building a better and more peaceful tomorrow. This is the ITD passion and commitment - a pledge that people can count on.
