**Influential Leadership in the Age of Disruption**

Innovative ideas and tools to "future-proof" your organization.

2 May

Learn from Multiple experts of Disruptive Leadership in just a one day full packed program as they will share with you their experiences, valuable principles, techniques and skills necessary to increase your value disruptive leadership.

The Westin Grande  
Sukhumvit Bangkok  
(BTS Asok)

**Speakers and topics include:**

- **Scott Friedman – Celebrate! Disruptive Leaders, Innovative Results.** Celebration may be one of the most disruptive ways to engage employees, improve team performance, and raise productivity.
- **Rebecca Morgan – Leading in the Age of Disruption: Learn Silicon Valley’s Best Strategies.** To be successful leading or responding to disruption depends on deep trust with your team. You need to encourage your team to be innovative, challenge traditional thinking, continually question best practices and look with a fresh perspective.
- **Paul N Larsen - Find Your Influential VOICE in the Age of Disruption!** Our modern global economy can be unpredictable, chaotic, messy and all around hectic. Thus, it is the perfect environment for organizations and leaders to harness their strengths, power and gifts to not only survive...but to thrive!
- **Debra Fine - The Fine Art of Building Leadership Skills: One Conversation at a Time.** The ability to talk easily with anyone is a learned skill, not a personality trait. Acquiring it will help develop rapport within organizations, raise visibility and create liaisons with the community at large, leaving a positive impression that lasts longer than an exchange of business cards.
- **Manoj Menon - Digital Transformation- A New Strategic Imperative.** This along with the availability of capital is accelerating the pace of change. Companies, individuals and societies need to focus on meeting future customer needs instead of trying to remedy the operational issues of the day.
